

Maidenhead Rowing Club Regatta Catering 2009

**Our river regatta provides catering at two locations:
The Tea Tent and BBQ is located in the Main Enclosure near
the finish line, boasting an excellent view of the rowing action.**

**A satellite Tea Tent is located in Bridge Gardens
from early morning until lunchtime, for competitors unable to
reach the main Tea Tent between races.**

**We have a wide variety of refreshments on offer in both
locations to tempt you throughout the day!**

Breakfast from 7.30am

Bridge Gardens Tea Tent will have muffins, Danish pastries, fruit and drinks
available from 7.30am, with freshly-made sandwiches from 9am latest.

Hungry coaches should pop over to the clubhouse while their crews are
rigging up, where bacon sandwiches will be available from 8.30am.

The main Tea Tent will be fully operational by 8.30am.

Lunch from mid-morning until last race

A selection of freshly-made sandwiches, both traditional favourites and
specialist fillings – meat, fish and veggie – will be available throughout the day
from 9am until we run out in the main Tea Tent,
and from 9am until the lunch break in Bridge Gardens.

The BBQ will start mid-morning, serving burgers, hot dogs and bacon rolls,
with all the usual trimmings, including veggie-burgers cooked in a separate
pan.

All-Day Snacking from 7.30am until last race

A range of savoury and sweet snacks will be available throughout the day,
from 7.30am onwards, including

Fruit, crisps, cookies, cereal bars, chocolate bars and a **HUGE** supply of
homemade cakes

Drinks

Cold drinks such as Lucozade sport, cans of lemonade and cola, and bottled
water will be available from 7.30am.

Iced fruit squash by the glass can be obtained from the Bar any time.
