

Maidenhead Junior Regatta

Invitation Regatta

Under British Rowing Rules of Racing and 'Row Safe'

Sunday, 27th June 2021

Below the Brunel Sounding Arch 500 metres upstream from a free start

Competition for Coxed Quads

J13 & WJ13	Junior Beginner A* and Junior Beginner B**
J14 & WJ14	Junior Beginner A* and Junior Beginner B**
J15 & WJ15	Junior Beginner A* and Junior Beginner B**

For the purposes of this regatta the following criteria apply:-

- * **Junior Beginner A** is for crews who have rowed for less than 2 years, have some racing but with limited or no success i.e. not likely to qualify for A or B finals at a National event.
- ** **Junior Beginner B** is for crews who are in their first year of rowing, this would normally be their first regatta

More experienced crews: for 2021 only we will accept entries from more experienced crews in an effort to provide them with an additional opportunity to race.

Racing will be on a repechage basis wherever possible to maximise the amount of racing for all crews. This is dependent on numbers of entries in each category.

We respectfully ask that coaches/entry secretaries only enter crews which fall into these ability categories. One of the main aims of Maidenhead Junior Regatta is to provide a venue where less experienced / less successful juniors can enjoy more of a chance of winning than at a traditional style regatta. However they must be capable of steering the course and manoeuvring their boat safely. Please double check with the Entries Secretary if you are uncertain about categories. Crews are only allowed to race 1 year above their age category.

Composite crews that include members of other invited clubs are welcome, by prior arrangement with the Regatta Entries Secretary.

Medals will be awarded to winning crews in all events in which two or more crews start.

Every competitor must be registered with British Rowing.

Entries close on Tuesday, 15th June 2021 at 6pm. All entries must be via BROE.

In the event of cancellation a proportion of the fee will be returned.

Cost per seat £14.00 (coxes exempt): payments should be made via BROE.

Queries to: Carolyn Smithson, Regatta Entry Secretary regatta@maidenheadrc.org.uk

This year's Regatta will be significantly reduced in numbers and facilities to ensure that the event is Covid-19 Secure.

A Covid briefing document will be available on the website and it is a condition of racing that coaches must go through this briefing with all their crews. Clubs will be required to nominate a Covid Officer who will be present at the Regatta to act as a point of contact for the Regatta committee and Umpires.

Food and refreshments will **NOT** be available at the Club house or Regatta lawns; please bring your own.

Access to the Club House will be for emergencies only.

If an event proves to be over-subscribed, we may have to reject entries on a last-in first-out basis.

If the overall entry to the Regatta is such that it is not financially viable, we reserve the right to cancel the event and refund race fees.
